About Us

POGUNS Global Solutions Limited is a diversified Nigerian company delivering integrated solutions across aviation, marine, oil & gas, civil construction, logistics, real estate, trading, IT, mining, and corporate investment management consultancy services.

We operate as a single-point partner for consultancy, procurement, supply chain management, offshore services, and general trading in complex, regulated industries.

Vision

To be a leading indigenous multi-sector solution provider in West Africa and beyond, recognized for integrity, operational excellence, and delivery of complex projects to international standards.

Mission

To provide end-to-end consultancy, project management consultancy, and supply chain solutions that enable public and private sector clients to achieve operational objectives safely, efficiently, and in full compliance with Nigerian and international regulations.

Core Services

1. Corporate Services consultancy in Aviation, Marine & Oil & Gas, Ground handling liaison, Offshore rig operations, personnel supply, Oilfield services procurement advisory functions.
2. Construction & Civil Engineering: Roads, bridges, power/irrigation works, real estate development, facility management.
3. Logistics & Supply Chain: End-to-end transport services, warehousing, freight forwarding, customs clearance, fleet management.
4. General Trading & Procurement: Import/export of machinery, industrial equipment, consumer goods, ICT products, agro-allied items.

5. Mining, Energy & Manufacturing: Mining/quarrying, renewable energy consultancy, manufacturing, investment holding.

6. Professional Services: Management consultancy, financial advisory, company incorporation, project financing.

Competitive Edge

Multi-sector capability under one contract, deep regulatory expertise in NUPRC/NIMASA/ NCAA/LASBCA compliance, strong local/international partner network, agile commercial structures, and ISO-based HSE management.

Compliance

Fully compliant with CAMA 2020, Nigerian Oil & Gas Industry Content Development Act, NUPRC, NIMASA, NCAA, and ISO 9001/45001/14001 frameworks. Professional indemnity + project insurance maintained.
